

FoodOxys

QUALITY POLICY

FOODOXYS , in order

"To be competitive and proactive in providing nutritional and solutions for well being and health to customers by continuously striving to exceed their expectations." ,our team is committed

- **To define** the requirements for meeting our business needs, complying with regulatory requirements and the tools to be used for establishing, reviewing and measuring our quality objectives.
- **To establish** processes, products and organizational structure geared towards ensuring that every delivery of FOODOXYS enhance our customers' satisfaction.
- **To adopt and achieve** ISO 9001:2015 as part of our I.M.S integrated management system for process definition and improvement ensuring its suitability, and continually improving its effectiveness.
- **To adopt** transition to new technologies and enable continuous process improvement.
- **To introduce** and be improved upon best-of-breed industry practices and standards and thereby improved our delivery capability

This policy has engendered a work culture that believes in stretching innovative thinking to its limits and exhibiting a no-compromise attitude towards quality.
