Decision about the Certification Process – Data Protection Expert

Dear Mr. Lolidis,

congratulations to you for the successful certification.

The basis of the present decision are your request for personnel certification and the results of the examination dated 30.03.2018 in Thessaloniki. On the basis of the determined exam results of

Written examination	73,85 %	passed
----------------------------	----------------	---------------

the certification with the registration number PC18901-354 dated 24.04.2018 is granted. The certification has a period of validity of 23.04.2021.

Within 3 months after the expiry of the validity of the actual certificate, you can request your recertification and prolong your certification. Feel also free to make use of your marketing advantages with the independent proof of your qualification with the DEKRA certificate. Please refer on time to the website www.dekra-certification.de.

We are at your disposal for further questions and/or information.

Kind regards

DEKRA Certification GmbH
